

ALTEA GREEN POWER WILL PARTICIPATE IN THE TP ICAP MIDCAP CONFERENCE 2024 IN PARIS

Rivoli (Turin), May 21, 2024 - **Altea Green Power (EGM: AGP, hereinafter "Altea" or "the Company")**, a company engaged in the development and construction of environmentally friendly power generation plants and as a "service integrator" for all-round assistance during all the stages of the construction and management of green plants, will participate on Wednesday, May 22th, 2024, to the "**TP ICAP Midcap Conference**" which will take place in Paris.

During the event, in the prestigious setting of the Pavillon Gabriel, the different companies will have the opportunity to meet with several international investors from across Europe in one-on-one or small group sessions.

Representing the company at the event will be the Chief Executive Officer Giovanni Di Pascale, the General Manager Salvatore Guarino and the Chief Financial Officer Giancarlo Signorini, who will explain the future strategies, growth plans, and comment on the results of the financial year 2023 during the meetings.

This press release is available on the Company website www.alteagreenpower.it and at www.1info.it

About Altea Green Power:

Altea Green Power is a company engaged in the development and construction of environmentally friendly power generation plants and as a "service integrator", addressing its expertise to individuals, businesses, entities and investors who seek all-round assistance during all the stages of construction and management for a broad range of plant types, especially in the areas of photovoltaics, wind, and BESS Storage, contributing to the reduction of pollution.

Established in 2008 by Giovanni Di Pascale as Altea Energia, in October 2021 it changed its name to Altea Green Power. Today, the Company boasts turnkey solutions for numerous photovoltaic and wind plants across Italy. Its current core business is co-development in wind, photovoltaics and Storage. To date it has contracted over 1.5 GW of photovoltaic and wind projects and approximately 0.5 GW of BESS Storage projects. Its clients are some of the world's top players.

Since February 1, 2022, it has been listed on the Euronext Growth Milan market of Borsa Italiana.
